

Forest Hills Central High School Crew Boosters

The FHC Crew Boosters was formed to serve our student-athletes, coaches and parents. Involvement in the Crew Family is both addicting and rewarding. It truly does take a village to support a highly successful crew team like FHC. The Booster board is made up of dedicated team parents that are crucial to helping our team be successful. Meetings are held every third Monday at the high school in the lecture hall. We welcome interested parents to join us to learn more about the planning and support of our team.

The crew program has a \$10,000 a year fundraising goal to keep up with ongoing needs for equipment such as boats, oars and motors. Your involvement and any financial support you can give us by donation would be greatly appreciated. The FHC Crew Boosters is a 501© charitable nonprofit organization. A gift to our qualified charitable organization may entitle you to a charitable contribution deduction against your income tax if you itemize deductions. A receipt will be mailed to you for tax purposes.
